French 

### PROFILE

Detail-oriented, organized and meticulous employee. Works at fast pace to meet tight deadlines. Enthusiastic team player ready to contribute to company success. Patient individual committed to continuous development.

### PROJECTS

#### Airbnb Clone

A replica of AirBnB built with Python and MySQL. October 2022–December 2022

Created a command interpreter to manipulate data without a visual interface and implemented two options for back-end storage engines: ORM with SQL and a file storage system with JSON. Additionally, completed a website that shows both static and dynamic content while integrating an API that provides a communication interface between the front and backend.

#### Simple Shell

A shell command in C language. July 2022

CDesigned and developed a command interpreter through the usage of signal handling to execute multiple commands. Implemented two modes of usage: interactive and non-interactive.

### WORK EXPERIENCE

#### Technology Teacher

Caguas Learning Academy 2018–present

- Develop problem-solving skills, collecting information, research skills and teamwork.
- Used computers, audio-visual aids and other equipment and materials to supplement presentations.
- Trained and developed students' skills in word-processing, spreadsheet and database programs.
- Tested and evaluated student progress to determine effectiveness and impact of teaching methods, materials and projects.
- Attended professional development technology courses to increase knowledge base and learn new information.
- Developed curricula and course syllabus covering required subject areas and promoting student knowledge.

#### Bank Teller

Banco Popular de Puerto Rico 2014-2018

- Leveraged strengths in persuasive communications and consultative sales to earn a reputation as a top customer service performer.
- Educated customers on use of banking website and mobile apps.
- Answered customer inquiries regarding account balances, transaction history, services charges and interest rates.
- Built and strengthened customer relationships by leveraging excellent interpersonal and communication skills.
- Counted and packaged currency and coins.
- Processed customer transactions promptly, minimizing wait times.
- Identified sales opportunities and referred customers to branch partners in financial services.
